

SUPPORT VOLUNTARY SPAY AND NEUTER

When You File Your 2009 California State Taxes,
Make A Contribution to the Voluntary Spay and Neuter Fund.
Help Your Local Community Offer These Services to Those in Need.

Your contribution to the Voluntary Spay and Neuter Fund shown on your California Personal Income Tax form, just above the signature area, will be used to make grants to municipal shelters offering free and low-cost spay and neuter services to those in need.

There are many responsible dog owners who would choose to alter their dogs and cats but they do not have the money for these very expensive procedures. By giving just One Dollar you can make a difference. Please review your tax forms carefully and give One Dollar for dogs.

The California Voluntary Spay and Neuter Fund is the result of AB2291, introduced and sponsored by Concerned Dog Owners of California. It is administered by the Department of Food and Agriculture.
